## §488.68

- (2) That reviews will be conducted so as to improve the quality of care provided to patients.
- (f) The request for a variance shall include:
- (1) The name, location, and type (e.g., hospital, skilled nursing facility) of the facility for which the variance is requested;
- (2) The total number of patient admissions and average daily patient census at the facility within the previous six months;
- (3) The total number of title XVIII and title XIX patient admissions and the average daily patient census of title XVIII and title XIX patients in the facility within the previous six months;
- (4) As relevant to the request, the names of all physicians on the active staff of the facility and the names of all other professional personnel on the staff of the facility, or both:
- (5) The name, location, and type of each adjacent facility (e.g., hospital, skilled nursing facility):
- (6) The distance and average travel time between the facility and each adjacent facility;
- (7) As relevant to the request, the location of practice of available physicians and the estimated number of other available professional personnel, or both (see paragraph (a)(1)(iii) of this section);
- (8) Documentation by the facility of its attempt to obtain the services of available physicians or other professional personnel, or both; and
- (9) A statement of whether a QIO exists in the area where the facility is located
- (g) The Secretary shall promptly notify the facility of the action taken on the request. Where a variance is in effect, the validation of utilization review pursuant to §405.1137 of this chapter or §482.30 shall be made with reference to the revised utilization review plan submitted with the request for variance.
- (h) The Secretary, in granting a variance, will specify the period for which the variance has been granted; such period will not exceed one year. A request for a renewal shall be submitted not later than 30 days prior to the expiration of the variance and shall contain

all information required by paragraphs (c), (d), and (f) of this section. Renewal of the variance will be contingent upon the facility's continuing to meet the provisions of this section.

## § 488.68 State Agency responsibilities for OASIS collection and data base requirements.

As part of State agency survey responsibilities, the State agency or other entity designated by CMS has overall responsibility for fulfilling the following requirements for operating the OASIS system:

- (a) Establish and maintain an OASIS database. The State agency or other entity designated by CMS must—
- (1) Use a standard system developed or approved by CMS to collect, store, and analyze data;
- (2) Conduct basic system management activities including hardware and software maintenance, system back-up, and monitoring the status of the database; and
- (3) Obtain CMS approval before modifying any parts of the CMS standard system including, but not limited to, standard CMS-approved—
  - (i) OASIS data items;
- (ii) Record formats and validation edits: and
- (iii) Agency encoding and transmission methods.
- (b) Analyze and edit OASIS data. The State agency or other entity designated by CMS must—
- (1) Upon receipt of data from an HHA, edit the data as specified by CMS and ensure that the HHA resolves errors within the limits specified by CMS;
- (2) At least monthly, make available for retrieval by CMS all edited OASIS records received during that period, according to formats specified by CMS, and correct and retransmit previously rejected data as needed; and
- (3) Analyze data and generate reports as specified by CMS.

- (c) Ensure accuracy of OASIS data. The State agency must audit the accuracy of the OASIS data through the survey process.
- (d) Restrict access to OASIS data. The State agency or other entity designated by CMS must do the following:
- (1) Ensure that access to data is restricted except for the transmission of data and reports to—
  - (i) CMS;
- (ii) The State agency component that conducts surveys for purposes related to this function; and
- (iii) Other entities if authorized by CMS.
- (2) Ensure that patient identifiable OASIS data is released only to the extent that it is permitted under the Privacy Act of 1974.
- (e) Provide training and technical support for HHAs. The State agency or other entity designated by CMS must—
- (1) Instruct each HHA on the administration of the data set, privacy/confidentiality of the data set, and inte-

- gration of the OASIS data set into the facility's own record keeping system;
- (2) Instruct each HHA on the use of software to encode and transmit OASIS data to the State;
- (3) Specify to a facility the method of transmission of data to the State, and instruct the facility on this method.
- (4) Monitor each HHA's ability to transmit OASIS data.
- (5) Provide ongoing technical assistance and general support to HHAs in implementing the OASIS reporting requirements specified in the conditions of participation for home health agencies; and
- (6) Carry out any other functions as designated by CMS necessary to maintain OASIS data on the standard State system.
